

We are looking for a Junior Registered Architect/Designer for our Vancouver studio.

Shape the world with us.

We're looking for people who want to contribute their ideas and their passion to shape the built environment of our communities – collaboratively, creatively, and sustainably.

If you want to join us on this journey, read on and apply!

Yes, we need people with outstanding design skills (read about this below), but *more importantly we are looking for people who want to be part of a team, like to learn, get energized by solving a problem, and are looking to make a difference in people's lives.* We believe that buildings and interior spaces can do this.

What you'll get:

At S2, you'll be part of an amazing team of diverse individuals across three studios – Calgary, Edmonton and Vancouver. We provide full service architectural, interior design, and master planning with a collaborative and inclusive approach to create spaces for people that support wellbeing, cultivate community, uphold sustainable design, and provide purposeful spaces for working, living, and playing.

Our work spans a broad range of building and project types, and the foundation of our success is deeply rooted in the value we place on our relationships – with our clients, our consultants, our employees, and our teammates.

If this sounds appealing to you – and you like to have a bit of fun as well – then we look forward to receiving your application.

Work/Life Benefits

- Competitive health and dental insurance plan
- Employee life and dependent life insurance
- Long-term disability
- Flexible work hours / Work from home options
- Continuing education / professional development
- Social activities
- S2 days for extra time to spend with family
- Profit sharing program

Our Values

Smarter together.

Our collaborative approach is driven by more than a desire for coordination and efficiency. The way we approach projects comes from a belief that shared ideas, collective knowledge, and combined experience benefits the project goals and vision.

Stay grounded.

We believe that success can only be achieved when thoughtfully grounded in the wellbeing of the people we work with, the environment, and our communities.

Nurture our world.

Sustainability comes from the relationship we have with the world around us. How we live, what we choose to create, and the resources we utilize are guided by a sense of stewardship that nurtures a balance between us and the natural world.

Imagine more.

We create a team environment where everyone can freely express new ideas, innovative concepts are nurtured, and creativity flows.

We walk together.

Diversity and inclusivity have a tangible value that gives us insight and perspective for stronger and more creative solutions.

Relationships matter.

The foundation for wellbeing and success is building relationships that are enduring, have strength, and are meaningful.

“The favourite part of my job is working with others to create or solve something complex.”
~ S2 employee in a June 2021 employee survey

Junior Registered Architect/Designer

We are currently looking for a Junior Registered Architect or Designer in our Vancouver studio.

This position recognizes an entry level designer who provides support to the senior Project Manager, Architect or project design lead. This individual will assist and contribute to the programming, development of design concepts and presentations of a variety of projects under the guidance of a senior project manager, architect or project design lead. They will also assist and participate in the production of construction documentation. This junior position is expected to work in collaboration with all project team members and third-party participants. The successful candidate will have a basic understanding of the construction drawings and specifications, the building code and have good graphic/visualization and hand drawing skills.

EDUCATION & EXPERIENCE

- Degree in Architecture from accredited University

QUALIFICATIONS

- Experience with graphics software: Revit, AutoCAD, SketchUP and Adobe Design Suite
- Strong organization and time-management skills
- Strong communication and interpersonal skills
- Ability to work together in a team environment
- Ability to manage project resources, costs and schedules

[Apply for this position.](#)

S2 Architecture is an equal opportunity employer that is committed to the principle and practices of employment equity. We invite all qualified individuals, including persons with disabilities, visible minorities, and Aboriginal Peoples to apply for our career opportunities.
